Another Monday morning,  
The clouds are warning,  
Every day feels the same,  
You check the forecast  
How long can this last,  
We're gonna drown in this rain

Gotta get away, get in your car or just catch a plane,  
Gotta feel the ocean spray, lets just sail away,  
Gotta feel the sun, gotta feel the sun

*[CHORUS]*

Where we can dance 2 the music 24/7,  
All the boys and the girls all look so fine,  
Kick Back, forget all your troubles,  
Get lost in the summertime,  
Get lost in the summertime,  
Lost in the summertime

You feel your spirit sinking,  
And all that you're thinking,  
When your day is done,  
You need some inspiration,  
So change the station,  
Find a place you can run,

Gotta get away get in your car or just catch a plane

*[CHORUS]*

Where we can dance 2 the music 24/7,  
All the boys and the girls all look so fine,  
Kick Back, forget all your troubles,  
Get lost in the summertime,  
Get lost in the summertime,  
Lost in the summertime

Gotta get away, get in your car or just catch a plane,  
Gotta feel the ocean spray, lets just sail away,  
Gotta feel the sun, gotta feel the sun

*[CHORUS]*

Where we can dance 2 the music 24/7,

All the boys and the girls all look so fine,  
Kick Back, forget all your troubles,  
Get lost in the summertime,  
Get lost in the summertime,  
Lost in the summertime
