Sometimes i feel you  
Like a beautiful light  
Guiding my hand  
Through the darkest night

Sometimes i hear you  
Like a whispering breeze  
In the call of a songbird  
In the distant trees

And sometimes if i close my eyes  
I can see another place and time

(Chorus)  
And sometimes i cry  
And sometimes i hurt  
Thought i will always know  
I've been loved  
And sometimes i bleed  
From my broken heart  
Though i will always know  
I've been loved  
For always

Bella bocca di rubini  
Amore dolce aura spiri  
Non partare, partare

Bella rosa fresca  
Io posso ben amare  
Laciamo baci dire le parole

And sometimes if i close my eyes  
I can see another place and time

(Chorus)  
Sempre fedele ti voglio amar  
Chiede quest'anima amante  
Sempre fedele ti voglio amar  
Il pianto sostiene l'amore  
Per sempre

And here beneath this sky of stars  
I feel you're never far away

(Chorus)

Per sempre
