I can't breathe inside this mask  
I can't love with all my heart  
But I don't wanna hurt no one  
When I look into those eyes  
It's someone else's face I see  
And I know that this is wrong  
I slip my disguise when I sleep, close my eyes  
You'll be waiting right there in my dreams

*[Chorus:]*

I wanna runaway  
I wanna fly to you  
I don't wanna live out a lie  
But that's all I can do  
So I breathe in each kiss  
I wanna runaway  
I wanna just escape  
As sure as the night hides our love  
Soon the dawn must break  
And I will wake  
You'll be gone  
Oh oh, runaway

Oh oh, I wanna runaway

When you walk into the room  
You're the only face I see  
And it's time that I was gone  
Cos the damage can't be done  
Or two worlds would fall apart  
And in truth I am not that strong  
I slip my disguise when I sleep, close my eyes  
You'll be waiting right there in my dreams

*[Chorus]*

So I know, I must bury this inside  
Where the world would never see  
That my heart can't be free

*[Chorus]*

I can't breathe inside this mask  
I can't love with all my heart  
But I don't wanna hurt no one
