(Verse)

I woke up on the tracks
Didn't know where I was
High off some kind of drugs
Didn't know what happened to me
Is this just a dream

(Verse)

Or am I awake?
Why do I have a headache
I look around me and all I see
Is the bright sun shine and the top palm trees
Am I mistaking?

(Chorus)

I'm california dreamin'
We're fighting through the goblins and demons
Trying to get to hollywood boulevard
Hollywood boulevard
I'm california dreamin'
We're fighting through the goblins and demons
I wanna see the Golden Gate Bridge
The Golden Gate Bridge

(Verse)

All I know
I'm a california soldier for sure
And I'm packing a desert eagle with me
Especially for California streets
Bring some heat

(Verse)

Oh the risk we take
To occupy the golden state
And there ain't nowhere else on earth like this
Look out for monsters and witches,
Watch the witches

(Chorus)

I'm california dreamin'
We're fighting through the goblins and demons

Trying to get to hollywood boulevard
Hollywood boulevard
I'm california dreamin'
We're fighting through the goblins and demons
I wanna see the Golden Gate Bridge
The Golden Gate Bridge

(Verse)

I'm on a 5 in a 83 coupe deville
I'm bumping too short
Smoking sticky kush for real
With a chick from Sacramento

(Chorus)

I'm california dreamin'
We're fighting through the goblins and demons
Trying to get to hollywood boulevard
Hollywood boulevard
I'm california dreamin'
We're fighting through the goblins and demons
I wanna see the Golden Gate Bridge
The Golden Gate Bridge
