Hot damn  
Summer in the city  
Spend a lot of time  
With girls that look pretty  
Step off in the club with bout 50  
What's the matter, baby  
You don't feel me?  
Well I love them stiletto boots  
And them apple bottoms  
Girl you look so cute  
And I  
Gotta find a way to get next to you  
Cos we destined to  
Get up later on, baby  
When people say we ain't got to go home  
But get the hell out of here  
You need to call up my phone and  
Tell me where to meet ya  
Give me a call

Call me  
Why you standing over in the corner?  
You need to come and holla at me  
Call me  
I can give it to you how you want it  
Baby girl you need to come see  
Call me  
I'll give you my number  
And baby you can give me a call  
Call me  
Ain't no pressure at all  
When you need someone to talk to  
You can call me

Holla at me  
Can I come and get you baby  
I got a GT Carrera, baby  
And my shift kick jerks you crazy  
Plus that fluffy herb that makes ya lazy  
Have you ever seen Pacific coast  
In a drop top Porsche doing the most  
After the club on a Friday

We hit the highway  
And we listening to Smokey  
Who's going my way?  
Before we roll  
Let me take a picture with my phone  
So I can know it's you when you call  
Don't want no mistakes at all  
Let's get this thang on and ball  
Give me a call

Call me  
Why you standing over in the corner?  
You need to come and holla at me  
Call me  
I can give it to you how you want it  
Baby girl you need to come see me  
Call me  
I'll give you my number  
And baby you can give me a call  
Call me  
Ain't no pressure at all  
When you need someone to talk to  
You can call me

Where my girls at?  
Put your one hand up  
Let me repeat that  
What's your phone number?  
I ain't lying ma  
I want some of yo  
Indescribable, undeniable, love

First things first  
You need to hurry up and call me  
In fifteen minutes I'ma leave  
You need to be right behind me  
Baby don't forget to call me

Call me  
Why you standing over in the corner?  
You need to come and holla at me  
Call me  
I can give it to you how you want it  
Baby girl you need to come see me  
Call me  
I'll give you my number  
And baby you can give me a call  
Call me  
Ain't no pressure at all  
When you need someone to talk to  
You can call me

It's so damn nice to see you  
Mama lets go to the beach  
Baby take off your clothes, cos  
Tonight you rolling with Squeeze  
Tell your girlfriends holla  
Maybe you'll see them next week  
We bout to take a lil trip to the islands  
All expenses on me  
Baby just call me

Why you standing over in the corner?  
You need to come and holla at me  
Call me

Baby girl you need to come see  
Call me  
I'll give you my number  
And baby you can give me a call  
Call me

When you need someone to talk to  
You can call me
