(Chorus)

Yall come see me cause I really wanna hit tonight  
Call up your job and tell them youll be sick tonight  
And if ya girlfriends wanna do some shit tonight  
Then go get them and yall come see me  
Cause my niggas drinkin yack tonight  
And wouldnt mind a little bit of ass tonight  
And they sayin could you stop and get a sack tonight  
On the way in will

Yall come see me  
Girl i'm playin domino's  
And the telly just showed the lakers scores  
And you know we woopin niggas asses  
I'm screamin domino  
Again for that we need some hoes  
So I'm picking up the telephone  
So I can make it happen  
My nigga Christina I like to get between ya  
And Benny say bring me shelly cause she nice and  
chocolate  
And please dont take too long

(Chorus)

Yall come see me  
Baby if I act up  
No need to trip realize I'm yacked up  
Just lean over on the counter let me smack it up  
And dont you act like you dont like it  
Cause I done had you in my lexo for hours  
Lovin it and rubbin it i put a dub on it  
Your girls your with they gonna wanna stay all night

(Chorus)

Yall come see me  
You ask me why I sing the songs i sing  
And why am I so nasty  
And I tried my best to answer  
But your girl kept looking at me  
And now I'm in the backroom with Shanae and Tami  
and you to

Get my socks blown off and I dont wanna talk  
So can you ask me later it can wait until next time  
(Chorus 3x)
