*[Chorus]*

Daily, seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do  
This type of shit be happening daily

I water my grass  
Just to take a load off  
There's just so much on my mind  
There goes my cell phone  
It's always ringing  
Can't get no time alone  
And it's my girlfriend, trippin'  
I don't know what you talkin' 'bout  
But you making me so damn mad  
Cause you don't have to raise your voice  
And now we arguing  
Why this always happening  
I just been busy  
I'm doing new album  
And it's got me working

*[Chorus]*

Daily, seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do  
This type of shit be happening daily

I check my mailbox  
Sony is late again (damn)  
And Monday is a holiday (I can't get paid)  
Look at the TV  
Just lost Steve Young for two weeks  
And the play offs started last week  
And i put 200 on with four my homies  
My rover is leaking oil in my drive way

And big daddy just cracked my rim  
On the lexus as he drove away  
But he got my house keys  
And i just lock the door  
I look to the lord above  
And its startin' to rain  
I swear this shit be happening

*[Chorus]*

Daily, seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do  
This type of shit be happening daily

Ain't got time for nothin' no more  
Either in the studio or on tour  
Everybody gettin' mad  
Cos i don't get back to 'em fast enough  
It's crazy  
I can't get enough but i want some more  
Cos i still ain't got what i came here for  
Until i get it  
It's a fact that I know shit don't happen

*[Chorus]*

Daily, seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do  
This type of shit be happening daily

*[Chorus]*

Seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do  
This type of shit be happening daily

*[Chorus]*

Seems like i just can't get ahead  
As soon as i get out the bed  
It's always something going on to drive me crazy  
I try to keep from going insane  
But i can't help but rack my brain  
About what i'm gonna do

This type of shit be happening daily  
*[chorus to fade]*
