So you're all in my mind  
let me tell you what I see  
What seems so hard to find is just another part of me  
When all of my friends come around  
We love to just pass her, pass her  
Don't have to be feelin' down  
On the one day after  
And we've always been together since  
I can remember  
So, we'll stay the same  
You been salted up so bad but I don't care  
what nobody say

(Chorus)

Darlin' Mary, You know I can't leave you alone  
She makes me happy, and they say lovin' you is wrong  
Can't be mad at me - she puts me in a zone  
And I wish I had got me just a little bit to take home  
I love my Darlin' Mary

So you think it ain't right - well let me explain  
I love my Darlin' Mary she make my heart sang  
Whenever I'm feeling lonely,  
I take a ride up the street  
Give kayo his 20 dollars he give Mary back to me  
And she always stays a long time, cause she likes  
Phillies  
Can't fuck with no zags  
And when she runs out - no need to go crazy  
Just get another bag

(Chorus)

Now, I've been taught not to love nobody  
But ain't nobody like Mary  
And I don't mean to be selfish but I  
I only like the best shit  
So if you wanna get really lit put 10 on it  
And we can go and get Mary

(Chorus - 3x)
