(Too Short)

Hahaha what?

That's called Fuck You

And that's real

You aint gonna like it

But  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg\tilde{A}, \hat{A}$  Shit  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg\tilde{A}, \hat{A}$  Fuck it

It's the way it is

Check it out

(Verse One  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg$  TQ)

I'd like to think back to when we spent the weekend

(Cuddled baby)

Your sister's boyfriend started trippin' (And left her lonely)

After you went to sleep, I spent the night out on the beach

Laid up on her body (How can I keep from hittin')

And every time I came to your house she always kissed me in the mouth

And always stickin' her tongue out, when you wasn't lookin'

Said I wanna fuck your sister

(Chorus One)

Now we've been messin' 'round a long long time

Now I wanna fuck your sister

I now it sound far but that's alright

Cause why should I have to bullshit cha

I can't help it she's the one that's on my mind

Every time that I'm wit cha

I know we mess around a long long time

Now I fuck your sister

(Verse Two  $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg$  TQ)

She comes to greet when I ring your doorbell (Lookin' like cavege)

She stands behind you in the kitchen (Starin' at me)

I'd like to see her, when she's gettin' out the shower (All the things she used to tell me when you wasn't listnin')

Now the fridge is gonna get cha

(Chorus Two)

Aint no need for us to stop messin' around (No)  
I jus wanna hit it for an hour, when she get out the  
shower  
(On the sink, guaranteed not to make you shout)  
And you know you shouldn't have to be gettin' mad at  
me  
I can't help it if I want that ass badly  
So in the middle of the day when nobody else is around  
(Oohh)  
I'll be fuckin' your sister

(Verse Three "Too Short")

It's time to wake up and control my on destiny  
I can't let my addiction for her get the best of me  
I aint givin' up, and I'll never stop tryin'  
Live it up, cause there aint reason to by lyin' to you  
You might as well know, it's goin' down  
You wastin' time askin' me When Where or How  
It's a neutral thing between me and your sister  
How you gonna feel when you seein' me kiss her  
Ever since she was young, I knew I would get her  
Waitin' this long to fuck can only make it better  
It's like way back when, when I was tryin' to get wit cha  
I'm tryin to keep it real, girl I'm not tryin to bullshit cha  
BIATCH

(Two Shiezee up in this mother fucka  
Representin' all the way East Oakland, California Style)

wanna take her in the livin' room)  
Now I wanna fuck your sister  
I now it sound far but that's alright (So many things that  
I can do)  
Cause why should I have to bullshit cha  
I can't help it she's the one that's on my mind  
Every time that I'm wit cha (Your sister)  
I know we mess around a long long time  
Now I fuck your sister  
I wait until your go to sleep  
Then I'll take a little ass for me  
Now we've been messin' 'round a long long time  
Now I wanna fuck your sister  
I now it sound far but that's alright  
Cause why should I have to bullshit cha (Oohh ya)
