(Chorus)

I wish  
I wish I was the man  
I wish I had the whole damn world in my hand

Baby I wish

I wish upon a star  
Could you see the world full of peace and no war

I wish that I could fly like superman  
I wish we never died do you understand  
I wish that we could find a way to love each other

(Verse)

Catch me standing on the corner with a pocket full of  
that  
I wish I didn't have to be you  
If I had my way I swear I'd leave you  
If I didn't have to hussle no more  
If I didn't see police at my door  
Baby I could find me some more  
Peace of mind and just keep my blood ,sweat and tears

(Verse)

All I ever wanted was the good life  
A chick to make love to me all night  
My two little boys to turn 'em in and then just be alright  
And mama I'ma be alright  
'Cause I'ma just wish much harder  
And go harder  
You try to stop the boy and  
I swear to God I wish you would

(Chorus)

I wish  
I wish I was the man  
I wish I had the whole damn world in my hand

Baby I wish

I wish upon a star  
Could you see the world full of peace and no war

I wish that I could fly like superman  
I wish we never died do you understand  
I wish that we could find a way to love each other

Lend me your ear, want you to go there with me

(Verse)

Baby you can catch me  
Only G6 headed out to London  
I wish, I could bring all my dogs ye  
Show them what they call football here  
Man that's what I wish so hard  
I spend so many nights on the floor  
Baby I could find me some more  
Peace of mind and just keep my blood ,sweat and tears

(Verse)

All I ever wanted was the good life  
A chick to make love to me all night  
A blue 6'4 with 20 swishers what would be alright  
And mama I'ma be alright  
'Cause I'ma just wish much harder  
And go harder  
We lay the bricks for our sons and our daughter  
So lay them good

(Chorus)

I wish  
I wish I was the man  
I wish I had the whole damn world in my hand

Baby I wish  
I wish upon a star  
Could you see the world full of peace and no war

I wish that I could fly like superman  
I wish we never died do you understand  
I wish that we could find a way to love each other

(Verse)

I wish I was a little bit taller  
Wish I was a baller  
Wish I had a crib on the beach in California  
I wish I had an airplane  
I wish I was king  
I guarantee my peeps would all be eating  
I wish nobody ever went hungry  
Until it comes to exist  
I wish, I wish, I wish
