[TQ:] Ha ha, yeah  
On a whole nother level  
Cool Westside Guys  
[Dane:] On the summertime  
[TQ:] Summertime  
Breeze is out, got to weed us out  
[Dane:] Come on  
In the summertime  
[TQ:] Yeah  
[Dane:] Yeah

Damn i think i gotta a hangover  
Too much mo the nite before  
Mail lady at the front door  
With a big booty and a cheque for me  
Why in the hell is it so damn hot?  
And its only 11 o'clock  
Lord help me cause i need relief!  
Please send down some honeyz for some brew for me!

And i might just have to return to the spot to free my  
mind  
Friday nite on the westside always remind me of  
summertime

[Chorus]  
(Its summer time)  
And everybody on the westside is real high off the la,  
la  
(in the streets)  
And we looking for the ta ta cause they pop out when it  
gets hot  
(everybody)  
Kiss your rainy days good bye, just blue skies and  
sunshine  
(come chill with me)  
Everything will be all right on the best side in the  
summer time

Here we come and we deep its the homies in the  
benzos

And you know how we doing by the size of the rims on  
'em  
make me wanna fly away to the palm trees, I can see  
better days  
sunshine beemin on diamonds shined up  
you want dimes we got the finest lined up  
come on so we can mess your mind up, put your Tai up  
spend summer time with us

And i might just have to return to the spot to free my  
mind  
Friday nite on the eastside always remind me of  
summertime

[Chorus]

(Its summer time)

And everybody on the eastside is real high off the la, la  
(in the streets)

And we looking for the ta ta cause they pop out when it  
gets hot

(everybody)

Kiss your rainy days good bye, just blue skies and  
sunshine

(come chill with me)

Everything will be all right on the best side in the  
summer time

(Its summer time)

And everybody on the westside is real high off the la,  
la

(in the streets)

And we looking for the ta ta cause they pop out when it  
gets hot

(everybody)

Kiss your rainy days good bye, just blue skies and  
sunshine

(come chill with me)

Everything will be all right on the best side in the  
summer time

[Rap by TQ]

Put your hands up! Everybody just stand up

I got some honeyz in front of me screaming I'm the  
first man up

so Im about to raise up, so i can blaze up and waste the  
day up

one day when Im paid up, I'll buy a big crib so i can lay  
up

case you didnt know Im on my way up

and I'll bet you Ill arrive in the summer time!

[Chorus]  
(Its summer time)  
And everybody on the westside is real high off the la,  
la  
(in the streets)  
And we looking for the ta ta cause they pop out when it  
gets hot  
(everybody)  
Kiss your rainy days good bye, just blue skies and  
sunshine  
(come chill with me)  
Everything will be all right on the best side in the  
summer time

[Chorus]  
(Its summer time)  
And everybody on the eastside is real high off the la, la  
(in the streets)  
And we looking for the ta ta cause they pop out when it  
gets hot  
(everybody)  
Kiss your rainy days good bye, just blue skies and  
sunshine  
(come chill with me)  
Everything will be all right on the best side in the  
summer time

[Chorus]  
(Its summer time)  
And everybody on the westside is real high off the la,  
la  
(in the streets)  
And we looking for the ta ta cause they pop out when it  
gets hot  
(everybody)  
Kiss your rainy days good bye, just blue skies and  
sunshine  
(come chill with me)  
Everything will be all right on the best side in the  
summer time

[to fade]
