You know what?

I'm 'bout to tell you some shit, that's gon' fuck you up

That's real, y' ain't gon' like it

Well, shit

Fuck, that's the way it is, check it out

Verse 1: TQ

I like to think back to when we spent the weekend

In Cabo baby, your sister's boyfriend started trippin'

And left her lonely

After you went to sleep - I spent the night out on the beach

Laid up on her body - how could I keep from hittin'?

And every time I came to your house

She always kissed me in the mouth

Always stickin' her tongue out when you wasn't lookin'

I wanna fuck you sister

Chorus: TQ

Now we been messin' round a long long time

But now I wanna fuck your sister

And I know it sounds foul but that's alright

Cause why should I have to bullshit ya'

(play wit' ya)

I can't help it if she's the one that's on my mind

Everytime I'm out wit cha

I know we messed around a long long time

But now I wanna fuck your sister

Verse 2: TQ
