Know what? Iâ€™m about to tell you some shit thatâ€™s
gon fuck you up
Thatâ€™s real, you ainâ€™t gonna like it
But, shit
Fuck it
Thatâ€™s the way it is
Check it out

I like to think back to when we spent the weekend
In Cabo baby, your sister's boyfriend started trippin'
And left her lonely
After you went to sleep - I spent the night out on the
beach
Laid up on her body - how can I keep from hittin'?
And every time I came to your house
She always kissed me in the mouth
And always stickin her tongue out when you wasn't
lookin'
I said, I wanna fuck your sister

[Chorus]

Now we been messin' round a long long time
But now I wanna fuck your sister
I know it sounds foul but that's alright
Cause why should I have to bullshit ya'
(play witâ€™ cha)
I can't help it if she's the one that's on my mind
Everytime I'm out wit' cha (yeah, yeah)
I know we messed around a long long time
But now I wanna fuck your sister

She comes to greet me when I ring your door bell
Lookin' like cavvy
She stands behind you in the kitchen - staring at me
I like to see her when she's getting out of the shower
All the things she used to tell me when you wasn't
listening
Now the bridge is gonna get cha
Aint no need for us to stop messin' around (nooo)
I just wanna hit it for an hour when she get out the
shower
On the sink guaranteed not to make a sound

And you know you shouldn't have to be getting mad at
me
I can't help it if I want that ass badly
So in the middle of the day when nobody else is around
I'll be fucking your sister

[Rap by Too Short]

It's time to wake up and control my own destiny,
Can't let my addiction for her get the best of me,
I ain't givin' up and I'll never stop tryin' to live it
up
Cos there ain't no reason to be lyin'
So you might as well let you know, what's going down
Your wasting your time asking me when, where or how
It's a mutual thing between me and you sister
How you goin' feel when you see me and her, kiss her
Ever since I was young I knew I would get her
Waiting this long to fuck, can only make it better
It's like way back when when I was trying to get wit
cha
I'm tryin to keep it real girl, ain't tryin to bullshit ya,
B-ITCH!!!
Too seezy up on this muthafucker
Representing all the way from east Oakland
California style

[Chorus]

Now we been messin' round a long long time
But now I wanna fuck your sister
I know it sounds foul but that's alright
Cause why should I have to bullshit ya'
I can't help it if she's the one that's on my mind
Everytime I'm out wit' cha (yeah, yeah)
I know we messed around a long long time
But now I wanna fuck your sister
I wait until you go to sleep
And I take a little ass for me

[Chorus]

Now we been messin' round a long long time
But now I wanna fuck your sister
I know it sounds foul but that's alright
Cause why should I have to bullshit ya'
I can't help it if she's the one that's on my mind
Everytime I'm out wit' cha (yeah, yeah)
I know we messed around a long long time
But now I wanna fuck your sister

B-ITCH!!!

Now we been messin' round a long long time
