Take one, capture the moment tonight
Take two, don't let it out of your sight
Take three, finding all that you lost
Gonna take take it back, whatever the cost

What's the point in always trying
When all you ever do is go
It seems like we're going nowhere fast

(Chorus)
Cause it's been so long
That I'm missing satisfaction
Can't wait to hear the sound of their voices tonight
And it's been so long
That I'm missing her reaction
Can't wait to hear the sound of her voice yet tonight

Bring back, open doors and lets go
Fight for, the only thing that you know
One chance, taking back what's all mine
We're gonna take take take it all back, all over time

What's the point in always trying
When all do ever do is go
Seems like we're going nowhere fast

(Chorus)
Cause it's been so long
That I'm missing satisfaction
Can't wait to hear the sound of their voice tonight
And it's been so long
I've been missing her reaction
Can't wait to hear the sound of her voice tonight

(Take one, capture the moment tonight
Take two, don't let it out of your sight
Take three, finding all that you lost)

(Chorus)
Because it's been so long
That I'm missing satisfaction
Can't wait to hear the sound of their voice tonight

And it's been so long
I've been missing her reaction
Can't wait to hear the sound of her voice tonight
