I am standing here alone its so cold  
My heart in this world alone  
And my thoughts are my prison  
I'm the one that's what I announced

I'm supposed to walk my own path  
But too late I realized  
You were the corner stone of my road  
But now that path behind is too long

I wipe my wasted tears of ice  
No one will wipe them for me  
In my prison in my heart  
I live inside me

Million times I've tried escape  
Wall wall wall wall

I always wanted to write my own book  
Wanted to keep the foreign ink away  
You're the only one in my world  
With warm blood in my veins

I wipe my wasted tears of ice  
No one will wipe them for me  
In my prison in my heart  
I live inside me  
Million times I've tried escape  
Wall wall wall wall
