Run to the bus stop. It's never on time.  
I couldn't care less 'cos you make me feel fine.  
Whenever I'm down you're always around.  
Maybe this time true love I've found.  
What would I do if I didn't have you?  
The things that you say, the things that you do.  
You make me high, I wish that you knew.  
I wish I could tell you. Together we'd fly.  
Open your eyes, start reading my mind.  
Same conversation every day.  
So much to ask you but can't find a way.  
Wherever you're going can I come along?  
Whatever your star sign, wherever you're from.  
The end of the day and you're still around.  
My head's in the clouds, feet on the ground.  
Maybe I should and maybe you would.  
Maybe tonight if only we could.  
You make me high, I wish that you knew.  
I wish I could tell you. Together we'd fly.  
Open your eyes, start reading my mind.
