(V1)

When I grow up  
When at last I find I'm a grown up  
When I cannot climb any higher  
What will I be

(V2)

When I grow up  
When I've finished school and I have to go  
When I've learnt the things that I've got to know  
What will I be  
4,3,2,1, blast off!

(CH)

Astronaut  
Wouldn't it be fun  
Flying in the sun  
And on to Jupiter and Mars  
Heading out to Pluto  
Flying in my spaceship  
Going anywhere I want to go

(V3)

When I grow up  
Will I want the things that I want today  
Will they be the things I'll need on my way  
What will I need

(V4)

When I grow up  
When I've done the things that I tried to do  
Will I be someone to look up to  
What will I be  
4,3,2,1, blast off!

(OUTRO)

When I grow up, will my dreams belong to me  
When I grow up, what will I be  
Will there be hope for me  
Does anybody know, which way to go  
Cos I want to know
