Did I say I wouldn't be hurt if our love just didn't work?  
Did I say that I'd be ok if you said good-bye?  
And did I promise you, I could take it if we were through  
And forget about these feelings inside?  
Baby I lied when I told you I could walk away  
Baby I lied and forget about the love we made  
I swear on my heart I was telling the truth at the time  
Baby I lied

Did I ever tell myself I could always find someone else?  
Did I say if you left today it would be no surprise?  
Did I ever leave any doubt I could hold up if you walked out?  
I know I told you that I could survive  
Baby I lied when I told you I could walk away  
Baby I lied and forget about the love we made  
I swear on my heart I was telling the truth at the time  
Baby I lied, baby I lied  
Now that I can see you walk out of my life  
Saying good-bye, I realize, baby, baby, baby  
Baby I lied, don't believe a word I said before  
Baby I lied, believe me when I said I love you more  
When I said I was sure I could live without you by my side  
Baby I lied, baby I lied, baby I lied, baby I lied, baby I lied, baby I lied  
Baby I lied, baby I lied, baby I lied, baby I lied, baby I lied, baby I lied
