It isn't the way that you look
And it isn't the way that you talk
It isn't the things that you say or do
Make me want you so
It has nothing to do with the wine
Or the music that's flooding my mind
And never before have I been so sure
You're the someone I dreamed I would find
It's the way you make me feel
The moment I am close to you
It's a feeling so unreal
Somehow I can't believe it's true
The pounding I feel in my heart
The hoping that we'll never part
I can't believe this is really happening to me

I close my eyes and count to ten and when I open them
you're still here
I close my eyes and count again
I can't believe it but you're still here
We were strangers a moment ago
With a few dreams but nothing to show
The world was a place with a frown on it's face
And tomorrow is just, I don't know
But the way you make me feel
The moment I am close to you
It's a feeling so unreal
Somehow I can't believe it's true
Tomorrow will you still be here?
Tomorrow will come but I fear that what is happening to
me is only a dream
I close my eyes and count to ten and when I open them
you're still here
I close my eyes and count again
I can't believe it but you're still here
I close my eyes and count again
I can't believe it but you're still here
I close my eyes and count again
I can't believe it but you're still here
I close my eyes and count again
I can't believe it but you're still here
I close my eyes and count again

I can't believe it but you're still here
