I Know What Boys Like

I know what boys like, I know what guys want, I know  
what boys like, I've got what boys like  
I know what boys like, I know what guys want, I see  
them looking  
I make them want me, I like to tease them, they want to  
touch me, I never let them  
I know what boys like, I know what guys want, I know  
what boys like, boys like, boys like me  
But you, you're special, I might let you  
You're so much different, I might let you  
Oh would you like that, I might let you

I know what boys like, I know what guys want, I know  
what boys like, I know what's on their mind  
I know what boys like, I know what guys want, they talk  
about me  
I got my cat moves that's to upset them  
Zippers and buttons, fun to frustrate them  
They get so angry like pouty children  
Denied their candy, I laugh right at them  
I know what boys like, I know what guys want, I know  
what boys like, boys like, boys like me

I feel sad now, I will let you  
Sorry I teased you, I will let you  
This time I mean it, I will let you  
Anything you want, you can trust me  
I really want to, you can trust me  
How would you like it, you can trust me  
Sucker  
I know what boys like, I know what guys want, I know  
what boys like, boys like, boys like me
