You've been around for such a long time now

Oh

maybe I could leave you but I don't know how.

And why should I be lonely ev'ry night

When I can be with you

oh yes

you make it right.

And I don't listen to the guys who say that you're bad
for me

And I should turn you away -

'Cause they don't know about us

and they've never heard of love.

I get a feeling when I look at you wherever you go now I
wanna be there too.

They say we're crazy but I just don't care

And if they keep on talking

still they get nowhere

So I don't mind if they don't understand

When I look at you and you hold my hand -

'Cause they don't know about us

and they've never heard of love.

Why should it matter to us if they don't approve?

We should just take our chances while we've got
nothing to lose. -

Baby

there's no need for living in the past

Now I've found good loving gonna make it last.

I tell the others

don't bother me

'Cause when they look at you

they don't see what I see

No

I don't listen to their wasted lines

Got my eyes wide open and I see the signs -

'Cause they don't know about us

and they've never heard of love.

No

I don't listen to their wasted lines

Got my eyes wide open and I see the signs

,

'Cause they don't know about us and they've never
heard of love.
