These muthafuckaz started a confrontation/they don't know who they gonna be facin/let's get the jets and start chacin/yo hearts better be racin cuz bodies will be waistin/we got gats that you never seen before,so amazin/blow yo head off into a million pieces small as raisins/cu casians asians we don't give a fuck/swarm into yo hood like killa bees bzzzzzzz/we got guns on our wings watch when it busts/its gonna sting so hear em ring/what we gon bring is a bad thing/we got the whole usa wit ak's gauges on the way/so you muthafuckaz better stay and pray/pray fo yo life cuz we got the cali's finest/mike tyson hollifeild combo aint the kindest/ arnold swatznegger aka terminator will leave ya mindless/ next to die on my list is yo royal hinus/when im done wit her she be my bitch/dont wanna die snitch then hide trick/cuz we on our way to yo bay/about to play wit our toyz,make em spray/after all those days you gonna pay/

it makes me sick cuz you such cowards/ so you hijack a couple of planes and crash our fuckin towers/you about to witness our fuckin powers/cuz this realistic shit bout to turn into animation/superman batman enterin in this bitch without no invitation/fuckin this shit up with a stimulation/y'all about to loose this game and face elimination/but 1 by 1 we erase names/cuz this isnt over yet wit dis game/ still gotta get the taliban/think the white powder was nuts man/but we send over a substance a million times worse than a rash man/send it over to iran to afganastan to pakistan/bring it all over yo bitch ass land/cuz this shit is a different type of brand/but it aint over til we catch bin laden/roll around the mountains so lookout were comin/if we see you, start runnin,then we gonna start gunnin/so this is what i gotta say to you gays/think you get away but you gonna pay/
