(Verse)

Aye I said Louis V, Louis V,
Who the fuck is hot as me?
Who full black? Gotta use it for commodity
Excuse em for they mockery, yea little mockery
Before hello a lot of motherfuckers said they doubted
me
Fuck apology, bitch you can swallow me
Quiter ass niggas, yea they wanna follow me
Swag jackin niggas, accessory to robbery
You ain't feelin my flow, nigga then why you callin me?
No features, you lames in the bleachers
Tryna get a contact, no you can't reach us
Busy balling out on them black card Visas
In the strip club with the Franklin go Aretha
I cause seizures or better yet I fall out
They connect it like phones when they call out
You ride a minutes, your run just end it
I stayed cooking shit, ball black in this
Damn in it, my run like Emmy
If you ain't the best then motherfucker don't pretend it
I'm the realest when it come to this real shit
I'm just a bad boy never slidin real slick

(Hook)

Ah, they don't do it like me
They don't do it like me, they don't do it like me
(They don't do it)
They don't do it like me
They don't do it like me, they don't do it like a G
Hell nah, he don't do it like me
He don't do it like me, he don't do it like me
He don't do it like me
He don't do it like me, he don't do it like a G

(Verse)

You know who I be, they call me LO
Words of a real nigga? We tell em hello
Hello, hello, yea tell em hello
Baby drop that ass and shake it like jello
I feel special, maybe even honored

This be that shit that make that bitch your baby mama
No ratchet, heavy with the fashion
Fresh to death, like I hopped up out a gasket
My life lavish, livin in a mansion
Niggas say I locked up, I just say I planned it
Horror, horror, yea that boy's a horror
Crook I saw more niggas that drop with the blackest
artwork
Don't mimic, your raps is a gimmick
I'm in first class and you're never in attendance
I need a dentist, how I talk real shit
I'm just a bad boy, nervous like Will Smith

(Hook)

Ah, they don't do it like me
They don't do it like me, they don't do it like me
(They don't do it)
They don't do it like me
They don't do it like me, they don't do it like a G
Hell nah, he don't do it like me
He don't do it like me, he don't do it like me
He don't do it like me
He don't do it like me, he don't do it like a G
