Yo yo im gonna be an mc jus like crazy titch,
but dat bitch aint got shit on me,
its cos ima bad boi mc,
I come wid a mix, if ya wanna no my name,
mc Lix, dat hu ill be from summa to winter and from
dust to dawn,
I been mc Lix since I was born.
Now everyone mad at me, cos I fancy this girl but she
don't believe in me,
n dese gay bois,
say I cant rap,
But im going to say something,
u better read this again.
Or get tur eyes tested cos Ur gonna be losing them.

Yea, me and k9 battle all yo,
u no we da plan so get lost out of our land,
I don't wanna see any lyrics on your hand,
learn em of by heart and ur be in ma band,
u don't understand bout mc's
like me, mc Lix that who I be,
u no I bring mixes wid k9 to mc,
we be down Rayleigh aving a game of b,
ball on against the wall,
jump up,
ur on alley oop, land n keep ur kool.
Yo sore get some weed,
n feed,
it to the pub,
like ma balls, Lick ma dick cos u aint seen nobody rap
so quick.

Ight listen up people, me and little lix here for u to
enjoy,
U right we de plan we r da ploy, come in snidely like de
hourse of troy,
Dis is rap war, battle till im slain, I doubt it, im still sittin
on this rein,
Test me u sufer pain, me crew uac, des who we b,

K9 spit rymes like a pyton , lyrical lines could knock back

Tyson, for ma deadley lines I need a licence, licence to
kill, music to thrill and chill ure bones, dis is a trak
where ma voice shivers down ure bones, ma and lix
sing as a single tone, songs ova, so ma mic is thrown,
in 2 da crowd, they make noise from silence to loud.
