Ooooooooooooo.....

ooooo.....

You're the Only One

You Make My life Complete

If I Was Ever To Lose You

I'd Be Losing Everything

You're the Only One

You Make My life Comm...plete

If I Was Ever To Lose You (If I Was Ever To Lose You
Girl)

I'd Be Losing Everything

I Think The Day That I Met You

Heaven Open Up The Skies

And Sent Me An Angel

To Change My Life

Cuz Ever Since That Day

I Ain't Never Been The Same

Just To Stand Next To You

Is Like A Rush To Me

I Still Remember

One Cold Night When I Confess

And I Would Go Crazy Just

To Have One Kiss

The More That I See You

The More You Penetrate My Soul

With Your Eyes Dreaming Every Nite

What My Days Be Like dapslyrics.com

If I Could Love You Forever

To Hear Your Pretty Voice Say

That We Belong Together

Maybe To Have You is Like Million To One

But The Truth is To Me Girl

You're the Only One (You're the Only One)

You Make My life Complete(Yeah)

If I Was Ever To Lose You

I'd Be Losing Everything

You're the Only One

You Make My life Comm...plete

If I Was Ever To Lose You (I Told You I Never Wanted To

Lose You Girl)
I'd Be Losing Everything

I Never Wanted To Make you Cry Girl
Keep That On Your Mind
We You Need Someone More
Than Just a Friend I'll be There
By Your Side
To Hold You Close When
Your Nights Get Cold
To Remind You Everyday
That You're So Beautiful
I Know That Sometimes Life is Just Not Fair
So When it Rains in Your Heart
I'm Gonna Be Right There
You See?
Life is Short & Every Minute That Passed
Is a Moment Gone Forever & Its Never Coming Back
Its Kind of Crazy How Time Has Away
Making All These Memories Just Fade Away
So If There's Just One Thing You Remember About Me
Remember That I Love You Unconditionally

You're the Only One (You're the Only One)
You Make My life Complete(Yeah)
If I Was Ever To Lose You
I'd Be Losing Everything
You're the Only One
You Make My life Comm...plete
If I Was Ever To Lose You (I Told You I Never Wanted To
Lose You Girl)
I'd Be Losing Everything

Ooooooooooooo.....
