[Don Cisco (MC Magic in background)]

Don Cisco

Yeah (Pretty, pretty, pretty lady)

And this one's for the ladies

All you sexy ladies out there (Can I make you mine)

Magic, kick this, come on

Chorus: MC Magic

Baby

What I got to do to make you be my

Lady

It's so fly, I got to know your pretty

Lady

Can I take you to my spot, girl, please don't

Play me

Put your body on my body, let's get

Crazy

[Verse 1: Don Cisco]

We party at

The after party, and you know that

She got her body

On my body like a throwback

And I know she like it

Cause she ain't stop me

She just kept grindin'

And said, "Ay papi"

She on me

Like Joni and Tachi

The whole world just watch me

Even the paparazzi, suckers, they can't stop me

Like I'm been dipped in butter, I stay saucy

I'm a boss side flossin', don't trip what it cost me

I rock a roli

Presidential

I ain't gotta say it cause you know my credentials

I came from the projects to livin' residentials

To riding buckets, to hopin' outta Benzo's

Hey

Lil' mamma, won't you ride with me

Girl, you look so fly to me

You need to spend the night with me  
Come on

Repeat Chorus

[MC Magic]  
Yeah  
What's up, you little sexy momma  
Let me holla at you right quick  
Doing it Magic style for you  
Know what I'm sayin'  
Yeah  
Come here girl, don't be shy

(Verse 2)  
Let's put it down like secret lovers  
All under the covers  
Tu cuerpo y mi cuerpo, oooh baby, like no other  
Tu sabes que te quiero  
Muy pronto, te encuero  
And I gotta put it down like this, yo  
Me desespero  
From Magic City, Arizona, up to Pomona  
Out to Frisco, with Cisco, in California  
Take you places that you ain't been before  
And put a smile on your face before I hit the door  
(Mexicali love)  
We come a long way from the cold filled jets  
To makin' hits  
And gettin' them fat royalty checks  
Hey  
You little momma, won't you ride with me?  
You lookin' fly with me  
Come spend the night  
With me

Repeat Chorus

[MC Magic]  
Oooh  
Your body  
My body  
Baby, tell me what it do  
Your body on my body  
We can do this thang all night  
It's Don Cisco and the Magic  
And you know we down to ride

Repeat Chorus
