(Michael Jay)

Hypnotised, with just one look at you, I'm paralysed.
I can't explain why just one touch from you drives me insane.
Oh, you've got me head over heels, you better believe it
Baby, and I love how it feels.

Cross my heart, hope to die.
May lightning strike me if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my, cross my heart, it's true, believe me, cross my heart.

Heavenly, ah, something happens when you're next to me.
Oh baby, I get chills, ah, you can ask me anything and baby, I will.
Oh, you've got me out of control, you better believe it
Baby, from my head to my toes.

Cross my heart, hope to die.
May lightning strike me if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my heart, cross my heart, it's true.

You're my Valentine every month of the year.
Baby, rain and shine, I'm so happy when you're here.
I want you all the time, am I making myself clear ?
My love's gonna last forever, cross my heart.

Cross my heart, I've never loved anyone more than I'm loving you.
Cross my heart, hope to die.
May lightning strike me if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my heart, hope to die, oh, if I'm telling a lie.

Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my heart, hope to die, oh, if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.

Cross my heart and I hope to die.
May lightning strike me if I'm telling a lie.
Hey boy, hey boy, hey boy, hey boy, ah ooh.

Cross my heart, hope to die.
May lightning strike me if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my heart, hope to die.
May lightning strike me if I'm telling a lie.
Cross my heart, I swear it's true.
I've never loved anyone more than I'm loving you.
Cross my heart, hope to die.
