Prelude:

Now I realize what I must do  
When I started my quest, it was nothing more  
Than just a dream  
See, I believe in making statements  
And setting examples with my music  
Looking forward, and understanding what's ahead  
Has given me the strength and courage,  
For I am the rhythm child  
Double O ryhtm is alive

Intro:

Da da da da double  
Da da da da O  
Da da da da rhythm  
Da da da da double  
Da da da da O  
Da da da da rhythm  
Da da da da double O rhythm (rhythm)

It's so good to be back in the picture (so good)  
I've been away for far too long  
And there's no time for rest  
Cause I'm out there with the best  
Now I have to give my all

Chorus:

Double O rhythm has come alive  
Double O rhythm, double O, double O  
Double O rhythm has come alive  
Double O rhythm, double O, double O

I'm here and there is no doubt  
That my rhythms soul creation's in effect  
And I've changed my point of view  
Can you feel the sensation of the rhythm inside of you

Chorus

Take, take, take, take, take , take me to a funky level

Bridge:  
Can you feel the rhythm  
Ah uh

It's funky  
Can you feel the ryhtym  
Ah uh

Can you feel the rhythm  
Ah uh

It's funky  
Oh, oh
