Uh

Check it

Uh

It's 'cause of you I can't stop it

Ice - had to rock it

Tops drop - I couldn't afford it

But had to cop it

My girls think I'm coo coo

For spendin' ends on you Boo Boo

But like the principal

Let me school you

I'm voodoo like uh uh

Shit uh huh

Just wanna buckle with you

In a Buggie

Now let's double the crew

Me & Trac

Sippin' drinks with the ?

100 proof

'cause of your juice, you deux

Slip my number in your bubble booze

A friend of mine

Who doesn't lie

Said you was starin' at me

& deep inside I cannot deny

I had to stop pretendin'

Take a moment to invision you & me

If I was your lady & you were my baby

The way you lick your lips watchin' me

I know your kisses taste so sweet daddy

So sweet daddy

Maybe it's the way that you're peepin' me

Makin' me think we were ment to be

Maybe it's me

Feelin' your vibe when your next to me

All I wanna know is are you down for me

I'm feelin' you

Feelin' your thought as you think of me

Gettin' real close
Almost askin' me
I'm feelin' you
I'm feelin' you

All I do is imagine you holdin' me
Knowin' me
Takin' control of me
Baby it's on tonight
I feel like the time is right
I can't help feelin' this way
I wanna feel it everyday
So give me a moment of your time
& you'll be mine

The way you lick your lips watchin' me
I know your kisses taste so sweet daddy
So sweet daddy
Maybe it's the way that you're peepin' me
Makin' me think we were ment to be
Maybe it's me

Feelin' your vibe when your next to me
All I wanna know is are you down for me
I'm feelin' you
Feelin' your thought as you think of me
Gettin' real close
Almost askin' me
I'm feelin' you
I'm feelin' you

Feelin' your thoughts as you think of me
Gettin' real close
Almost askin' me
I'm feelin' you
I'm feelin' you

(Sonja Blade)
We on point like game time
Ya ?
In the day it's rain & shine
It still remain prime
Runnin' the same line
Could I sample some
of your junk in the trunk
Like Sanford & Son
I answer tongue certainly
Sex you vertically
Make your chick wanna murder me
Word to key
I got love for you

I still do
For real Boo
You know I feel you

Feelin' your vibe when your next to me
All I wanna know is are you down for me
I'm feelin' you
Feelin' your thought as you think of me
Gettin' real close
Almost askin' me
I'm feelin' you
I'm feelin' you
(Repeat to end)
