Fifteen after nine
Come on girls
Party time
What ?cha wanna do?

To my left and my right
All the kinds that I like
I just wanna get to know you
Baby, one night and day in my hideaway

I'll make it nice if you let me baby
But if you're not down
And you change your mind
I swear I'll make it worth your while, say ohh yeah

Baby, let's unwind, if you wanna ride
It's on tonight till the mornin' light
Tell me where to go, I won't say no, no
It's on tonight till the mornin' light

Tonight's the night to take a chance
And don't ya like the way I dance
Baby, it's all for you, you, you, you, you
Player's a dawg

Touch my thigh
I make ya hot
Don't stop till I tell ya to
One night and day in my hideaway

I'll be decrete if you ask me baby
But if you're not down
And change your mind
I swear, I'll make it worth your while

Baby, let's unwind, if you wanna ride
It's on tonight till the mornin' light
Tell me where to go, I won't say no, no
It's on tonight till the mornin' light

Baby, let's unwind, if you wanna ride
It's on tonight till the mornin' light

Tell me where to go, I won't say no, no
It's on tonight till the mornin' light

Baby, let's unwind, if you wanna ride
It's on tonight till the mornin' light
Tell me where to go, I won't say no, no
It's on tonight till the mornin' light
