I hear them calling
Fix that smile on my face
Perspire and tremble
Welcome to the masquerade
Costumes like these make me so weak
Selfish blindfolds take all my strength
They don't know all the veils in me
They can't see how I worship me
But I believe the one who rescues
And He knows me
The spotlight's on me
Whispers of uncertainty
Smoke and mirrors
Welcome to the vanity
Costumes like these make me so weak
Selfish blindfolds take all my strength
They don't know all the veils in me
They can't see how I worship me
But I believe the one who rescues
And He knows me
Now you see me
Now I'm gone
Sleight of hand
See the wand
Change my glasses
Change my hair
Now they'll like me
Should I care?
Should I care?
