Who wants a song, like everyone else's
Do we lack some creativity?
Who wants a life just like on the TV
Maybe we need something new
Monochrome Rainbows
Built on someone else's goals
Monochrome Rainbows
Color's coming through the holes
Who wants a sound, just like every other?
Makes your mother, so proud
And who needs a story, that's just carbon copy
A rerun of others?
Monochrome Rainbows
Built on someone else's gold
Monochrome Rainbows
Color's coming through the holes
Chameleon colors never stay
Searching for reality
Give me clarity
Don't you know that green ain't gold
Don't you know that green ain't gold
Don't you know that green ain't gold
Oh it's never ever gold
Monochrome Rainbows
Monochrome Rainbows
Built on someone else's gold
Monochrome Rainbows
All about my ego?
Monochrome Rainbows
Flames of color could explode
Are we just an echo?
