Ahhh rock it, well... loo ee looee looee loo aloo ow...

Boogie woogie choo choo train

You know she likes to take me dancin' on the outskirts
of town

Where the music's turned up and the lights are turned
down
Shake it, Shake it, Shake it on the dance dance floor

Crowd crowd screamin screamin more more more
Got the boogie woogie woogie spread all over the
place
You got it stacked to your ceiling got it stickin in your
face
You know my baby likes to rock it like a boogie woogie
choo choo train

Johhny's in the back room suckin on his Gin
Police are at the front door screamin let me in
Go-go-go-go dancer just a showin off her chest
She don't know what she's doin but she tries to do her
best

She got the boogie woogie woogie spread all over the
place
She got it stacked to the ceiling got it stickin in your
face

You know my baby likes to rock it like a boogie woogie
choo choo train

She said her name was emergency, and asked to see
my gun

Said her telephone number was 9-1-1
Got brother Jimmy on the TV, killer on the stereo

She said if you want to get it, you got to let it go
She got the boogie woogie woogie spread all over the
place

You got it stacked to the ceiling got it stickin in your
face

You know my baby likes to rock it like a boogie woogie
