[Verse 1: MC Ren] Nigga, Villain's back for the old 80s
You other niggaz is bitch fuckin' a snitch Your whole life
is a glitch Your mamma was a trippin' Given birth to put
a bitch on a certain You niggaz sound like Clones from
the 80s But what should I expect from the
motherfuckin' crack babies? Fuck the legend, I'm the
westcoast Icon Eat the big fish swimmin' in the small
pond This some Compton classic, nigga blaze Now
choke on the gush for Eazy and the old days Y'all
wanted the Gangster Gangster Straight up out the hub,
fuck the club And fuck all you niggaz that votted for
Bush Now, your sell out ass is cryin' for Gas In the
Radio still some facts With that same bullshit, homie,
makin' me laugh Ugh, who in the fuck tried to sit on my
throne? Fuckin' with my shit while Daddy ain't home
The Villain is back again Who the fuck you know really
fuckin' with Ren? [Chorus: Ninetrain] Y'all
motherfuckers don't know I already fucked your whore
And I'm about to smoke up your weed It's the Return of
the Villain, what you motherfuckers need? [Verse 2: MC
Ren] Most of y'all niggaz need to quit With all that
money and flossy shit With all the cars, rims and
bitches And mean brag clothes, y'all some whores
Nigga, y'all shit watered down Homie, you're a half
ounce and Villain the pound I'm still Always Into
Somethin' So if It Ain't Rough, ain't fuckin' us My black
ass gotta cuss, I can't change Just like your bitch
suckin' dick at the club in the Range-Rover It's THE
WORLD BIGGEST DICKÂ -----> DJ Yella Tell that whore
to move over She started suckin' dick while I'm puffin'
the Dojah Y'all need this villainous shit I can't be fucked
wit when I start to spit Now, who in the fuck tried to sit
on my throne? Now, you fake niggaz can bring my shit
back home Who in the fuck tried to sit on my throne?
Fuckin' with my shit while Daddy ain't home The Villain
is back again Who the fuck you know really fuckin' with
Ren? [Chorus: Ninetrain] Y'all motherfuckers don't
know I already fucked your whore And I'm about to
smoke up your weed It's the Return of the Villain, what
you motherfuckers need? [Verse 3: MC Ren] If you're a
Legend, then Villain is an Icon If you're a boss, then

Villain is the Don You niggaz is nothin' but locals Go
and take ten years, go work on your vocals West Coast
is sittin' on a commission The same as before only
Eazy is missin' But I'm still that Nigga For Life Smoke
up your weed and fuck your wife Bitch in the corner
straight playin' the role Don't talk to the Villain if your
ass never went gold From Compton II to UK, real
motherfuckers play me everyday Homie, here's that
Return Of The Villain About to make these whack
niggaz go back to drug dealin' And say to all these
studio shit You sorry motherfuckers, y'all just need to
quit Who in the fuck tried to sit on my throne? Fuckin'
with my shit while Daddy ain't home The Villain is back
again Who the fuck you know really fuckin' with Ren?
[Chorus: Ninetrain] Y'all motherfuckers don't know I
already fucked your whore And I'm about to smoke up
your weed It's the Return of the Villain, what you
motherfuckers need? [MC Ren] Who in the fuck tried to
sit on my throne? Fuckin' with my shit while Daddy ain't
home The Villain is back again Who the fuck you know
really fuckin' with Ren? [Chorus: Ninetrain X2] Y'all
motherfuckers don't know I already fucked your whore
And I'm about to smoke up your weed It's the Return of
the Villain, what you motherfuckers need? It's the
Return of the Villain, what you motherfuckers need?
