rip into this rap right through this all you fagets r full of
shit swing with the rap bounce to the beat get ready for
the big one when i shoot u in ur feet u think ur right but
i know ur wrong ul know im right when im puffing on
me bong u cant rap to save ur life u pull out ur gun but i
stab u with me knife metaphor diesaster ill blast ya half
the class step back u know im a master u know my
lyrics r getting fast getting faster faster than urs ur b
standing there looking pissed of and board when ur
crew come over shity tunes in there old rusty rover u
wanna b carefull u dont get run over when my crew
come over banging tunes in there kitted up nova when
my crew come theyl always bring a gun shoot u in the
head now the battle has begun battle in a tongue war
win another thumb war with me thumbs down aint
gonna stop til da sun goes down im the 3rd bredder
from the uk terror wont bother me if ur dum or ur clever
il get me wip crack it like leather bang u out and look u
in my celler said ur a heavyweight ur light as a feather
dont talk to me ur a shit tale teller im the mc thatl make
u bleed ur be on the run but ill take the lead ul think ur
high on weed but realy ur running on speed
