always harassin me and askin me for my id but i aint
done nothin so you aint seein nothin no
packed me a bag of buddah but i aint the high school
shootah
im sure you got bigger fish to fry

chorus
krooked kop leave me alone
go find someone else to
run your game on oh yea (thats my car)
go and tell po watchin my spot
if you dont live here then you dont belong in my
neighborhood no

chorus
krooked kop leave me alone
go find someone else to run your game on yea
go and tell po watchin my spot
if you dont live here then you dont belong in my
neighborhood
you dont belong in my neighborhood no no no
oh royal lauder of
fraternity brothers
is really just a game oh yea

youd like to hang around and beat brothers down
but you dont wanna change things oh no
it must be a prerec ya
gotta be on a power trail
for you to even join the force
you gotta hate black of course
wont be that way in the future

cuz no ruler reigns forever
what will you do when
its over watcha gonna do when the party's over yeeeah
over yes

go find someone to run your game on
go find someone to fool around with
go and tell po watchin my spot
if you dont live here
then you dont belong in my neighborhood

chorus
