They call you the one hit wonder
If I could just hit you right, yeah right between
Yeah right between your eyes

If ever a girlie wonder
Could ever be more than just one thing
Yeah more than one thing at a time, a time
More than one a time

I give you my four leaf clover
'Cause God only knows that is
The only one, the only one of mine

And you'll hear it over and over
Until it is built right in, yeah right into
Your filthy little mind, your mind
Yeah right into your

I own the world, I bought the whole damn world
From the man who sold the world
A million dollar caddy world

So could you just bend right over
To see how it feels to be
To see just how it feels to be alive

And you'll get it over and over
'Cause God only knows that is
The only one, the only one of mine
Of mine, the only one of

I own the world, I bought the whole damn world
From the man who sold the world
A million dollar cranky world
