Aah, aah  
Aah, aah  
Aah, aah

I know the sun's around to wake the dead  
You've got if anything, a bigger head  
Most likely to perform was who I knew  
But now, it's you that I have to know

Silly, who you know has got away  
Sweet little who you know lives in L.A  
Most likely to conceive was who I knew  
But now, it's you that I have to know

Only the real world is so unreal  
Only the real is real

Pocket the business card, be on your way  
Pocket the smiling face and save the day  
Most likely to perform was who I knew  
But now, it's you that I have to know

Only the real world is so unreal  
Only the real is real

Only the real world is so unreal  
Only the real is real

Aah, aah  
Aah, aah  
Aah, aah
