Freestyler...rock the microphone
Straight from the top of my dome
Carry on with the freestyler

I gotz to hmmm, to throw on
And go on, you know i gotz to flow on
Selectors on ya radio play us
'Cause we're friendly for ozone
But that's not all so hold on
Tight, as I rock the mic right
Oh.. excuse me, pardon
As I synchronize with the analyzed
Upcomin' vibes the session,
Let there be a lesson, question
You carry protection
Or will your heart go on
Like Celine Dion - Karma Chameleon

Yeaah, straight from the top of my dome
As I rock, rock, rock, rock, rock the microphone

Hit me!

Styles, steelos, we bring many kilos
So you could pick yours, from the various
Ambitious, nutritious, delicious, delirious
Or vicious, just tell us
We deliver anything from accappellas
To best sellers, suckers get jealous
But their soft like marshmallows
you know they can't handle us
like debbie does dallas
Yeah, we come scandalous so who tha fuck
Is alice, is she from buckinham palace?

Yeaah, straight from the top of my dome
As I rock, rock, rock, rock, rock the microphone

Hit me
