(Mark Spiro/Buddy Brock)

Look at me now
Won't you listen to my heart
Cryin' out loud
I've been standing in the dark

I want someone to show me the way
I'm lost on a lonely road
There must be a light at the end of the tunnel
Before I go out of control

I wanna fall in love
I wanna feel that rush
Runnin' into my heart, shakin' up my soul
Feelin' like I've never felt before
I wanna fall in love
I wanna feel that touch
I've only dreamed about it, I've been livin' without it
And that ain't good enough
I wanna fall in love

Somewhere out there
Someone else is searchin' like me
And I know he must be hurtin'
Maybe tonight he's walkin' down
The same road I've been takin'
And we'll meet up without even talkin'
And he'll know what I'm sayin'

I wanna fall in love
I wanna feel that rush
Runnin' into my heart, shakin' up my soul
Feelin' like I've never felt before
I wanna fall in love
I wanna feel that touch
I've only dreamed about it, I've been livin' without it
And that ain't good enough
I wanna fall in love

Maybe tonight he's walkin' down

The same road I've been takin'
And we'll meet up without even talkin'
And he'll know what I'm sayin'
I wanna fall. . .

I wanna fall in love
I wanna feel that rush
Runnin' into my heart, shakin' up my soul
Feelin' like I've never felt before
I wanna fall in love
I wanna feel that touch
I've only dreamed about it, I've been livin' without it
And that ain't good enough
I wanna fall in love
