(Julie Burton/Phil O'Donnell/Noah Gordon)

Used to be the fastest thing in this whole town
Was a red Corvette with the top rolled down
But next to you on Blackhawk Hill
Make that look like it's standing still
I never felt like this with no one else
Yeah, when we kiss I have to brace myself

Like a rocket, this love
Is breathtaking, earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby my heart ignites
Like a rocket

Yeah, so much emotion might seem radical
Completely unpredictable
We're puttin' part I love the best
Even gravity can't hold us back
There's nothing but the motion and stars in our path

Like a rocket, this love
Is breathtaking, earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby my heart ignites
Like a rocket

The kinda love we got
Is bigger than the both of us
hold on baby...3,2,1

Like a rocket, this love
Is breathtaking, earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby my heart ignites
Like a rocket
