Automatic, automatic lover,

Automatic, automatic lover.

CHORUS:

Call for love, I will call you up cuz you're

My automatic lover, you're number one, call for love.

I will call you up cuz you're my automatic (automatic)

My automatic lover.

Can you feel the force, can you feel it, can you deal  
with

my ----- and combination, with -----  
sophistication.

Deep deep down deep, in my heart may beat,

you know there's something deep inside, a kind of  
mystery.

So if you really need to satisfy your burning desire,

you better call me up and I will set you on fire.

I feel my love is growing stronger, I can't fight this  
feeling.

I need your lovin' all night long, I can't control myself.

CHORUS

Automatic, automatic lover, automatic, automatic lover.

Your wish is my command, I'm a teacher,

not a man cuz I got everything it takes

to be your everlasting friend. You know I'm someone  
very special,

a brand new love attraction and if you dial my number

I will give you satisfaction.

Yes call for love in tough with me,

to feel my supermagic space erotic ecstasy.

I feel my love is growing stronger,

I can't fight this feeling.

I need your lovin' all night long, I can't control myself.

CHORUS TWICE
