Come and get your love, come and get your love, come
and get your love now

Come and get your love, come and get your love, come
and get your love

Yeah yeah (hey yeah)

What's the matter with your head (oh yeah)

Yeah yeah (hey yeah)

What's the matter with your mind and your sign and oh
yeah

How am I gonna get it baby gonna get my loving?

Talk to me tell me how I'm gonna get it

I'm ready for you baby, ready for your loving

Don't make me wait 'cause I really need to get it

Yeah yeah (hey yeah)

With it baby 'cause your fine and your mine, and you
look so divine

Come and get your love, come and get your love (come
and get your love)

Come and get your love, whoa yeah, come and get
your love

Yeah, yeah (hey yeah)

What's the matter with you feel right, don't you feel
right baby

Yeah yeah yeah (yeah yeah yeah)

look at it from the mainline, all right

How I'm gonna get it baby gonna get my loving?

Talk to me tell me how I'm gonna get it

Don't make me wait 'cause I really need to get it

Yeah yeah (hey yeah)

It's your business if you want some,

Take some, get it together baby

Come and get your love, come and get your love, come
and get your love now

Come and get your love, come and get your love, come
and get your love now

Whutcha waiting for 'cause I'm ready for your loving

Come on take it come on get it if you want it

What's the matter, what's the problem

Get it together and we're easily gonna solve it
