Well I was feeling down
I'd really been uptight
About to lose my mind
When I came in here tonight

Things have turned around
Since they turned the jukebox on
I laid my money down
And somebody played my song

And I'm back in the swing of things
An amazing change takes place
When I hear them twin fiddles play

Oh, there's a difference of daylight
And dark in my heart
Oh, the music chases my blues away

When those playboys are playing
I'm feeling no pain
I'm back in the swing of things
I'm back in the swing of things

Say, would you like to dance
And join me in the fun
Here's your one big chance
'Cause the night is almost done

Girl, can you believe
How good it makes you feel
I have to pinch myself sometimes
To find out if it's real

Oh, I'm back in the swing of things
An amazing change takes place
When I hear them twin fiddles play

Oh, there's a difference of daylight
And dark in my heart
Oh, the music chases my blues away

When those playboys are playing

I'm feeling no pain
I'm back in the swing of things
I'm back in the swing of things
I'm back in the swing
I'm back in the swing of things
