When we heard that train comin'  
Should've seen old Billy Walker run  
I laughed and yelled, "Hey, Billy?"  
You're gonna miss all the fun

Between me and that cold water  
I bet there was fifty feet of air  
When I jumped, that bridge was shakin'  
But me, I wasn't scared  
Call me crazy but when the choice was mine  
I'd pick crazy every time

Mama thought she taught me  
Better safe than sorry  
But I guess I've always been the other kind

I disregard all reason  
I don't look for hidden meaning  
I don't really care if it don't rhyme  
Born with a rebel state of mind  
I'll pick crazy every time

Between drag racin', cane raisin', girl chasin'  
Bootleggin', I like my livin' on edge  
But ask me what I'd change and I'll say there's one  
thing  
To this day I still regret

She was the best thing I had goin'  
Yeah, that's what Billy always said  
But no one could treat me better  
Love me like she did  
And all I had to do was walk that line  
But I'll pick crazy every time

Mama thought she taught me  
Better safe than sorry  
But I guess I've always been the other kind

I disregard all reason  
I don't look for hidden meaning  
I don't really care if it don't rhyme

Born with a rebel state of mind  
I'll pick crazy every time

But don't ask me, I don't know why  
I'll pick crazy every time

Between me and that cold water  
I bet there was fifty feet of air
