Well I said friend  
Don't take her she's all I've got  
Please don't take her love away from me  
I'm beggin' you friend  
Don't take her she's all I've got  
She's everything in life I'll ever need

She is life when I want to live  
She's everything to me in life that life can give  
She's my water when I need a drink  
She's the first thought in my mind  
Each time I try to think

Let me tell you now friend  
Don't take her she's all I've got  
Please don't take her love away from me  
I'm beggin' you friend  
Don't take her she's all I've got  
She's everything in life I'll ever need  
She's my fingers when I want to feel  
She's the only thing in life to me that's really real  
She is love she's all the love I know  
She could kiss the ground in wintertime  
And make a flower grow

Let me tell you now friend  
Don't take her she's all I've got  
Please don't take her love away from me  
I'm beggin' you friend  
Don't take her she's all I've got  
She's everything in life I'll ever need

Let me tell you now friend  
Don't take her she's all I've got  
Well I said friend  
Don't take her she's all I've got  
I'm beggin' you friend  
Don't take her she's all I've got
