Have a good one, she told me as she walked away  
What a fine time to tell me to have a nice day  
She's gone now but the words she said still linger on  
and on  
Have a good one, thought I had one, I guess I was  
wrong

She could have said I'm sorry or darlin' please don't cry  
But now there's tears each time I hear that cheerful  
goodbye  
It's over but over and over it echoes all night long  
Have a good one, thought I had one, I guess I was  
wrong

She could have said I'm sorry or darlin' please don't cry  
But now there's tears each time I hear that cheerful  
goodbye  
It's over but over and over it echoes all night long  
Have a good one, thought I had one, I guess, I was  
wrong  
Have a good one, thought I had one, I guess, I was  
wrong
