It was no accident  
me finding you  
Someone had a hand in it  
Long before we ever knew  
Now I just can't believe  
you're in my life  
Heaven's smilin' down on me  
As I look at you tonight

I tip my hat  
to the keeper of the stars  
He sure knew what he was doin'  
When he joined these two hearts  
I hold everything  
When I hold you in my arms  
And I've got all I'll ever need  
Thanks to the keeper of the stars

Soft moonlight on your face  
oh how you shine  
It takes my breath away  
Just to look into your eyes  
I know I don't deserve  
a treasure like you  
There really are no words  
To show my gratitude

So I tip my hat  
to the keeper of the stars  
He sure knew what he was doin'  
When he joined these two hearts  
I hold everything  
When I hold you in my arms  
And I've got all I'll ever need  
Thanks to the keeper of the stars

It was no accident  
me finding you  
Someone had a hand in it  
Long before we ever knew
