I'm gonna be here for you baby, I'll be a man of my word
Speak the language in a voice that you have never heard
I want to sleep with you forever, I want to die in your arms
In a cabin by a meadow where the wild bees swarm

Now that I found you, I want to surround you
I'll win your trust making memories of us

I wanna honor your mother, I wanna learn from your pa
I wanna steal your attention like a bad outlaw
I wanna stand out in a crowd for you, a man among men
I wanna make your world better than it's ever been

I wanna know you, like nobody knows you
And I'll win your trust making memories of us

I'm gonna be here for you from now on, this you know somehow
You've been stretched to the limits but it's alright now
I'm gonna make you a promise, if there's life after this
I'm gonna be there to meet you with a warm, wet kiss

Yes, I'm gonna love you, like nobody loves you
I'll win your trust making memories of us

Yeah, I'm gonna love you, like nobody loves you
And I'll earn your trust making memories of us
