Ever since Monday I've seen it comin'
When I say, "What's wrong?" she just says nothin'
Well I ain't about to let it go
'Cause I've loved her long enough to know

When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight
I got a Limo waitin' and dinner reservations
A corner table with some candlelight

We're gonna spend some money, I'm gonna call her
"Honey"
I wanna see the sparkle back in her eyes
When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight

I see in those green eyes and her red-head temper
And she can make July as cold as December
Well I love her every way she is
But brother I've discovered at times like this

When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight
I got a Limo waitin' and dinner reservations
A corner table with some candlelight

We're gonna spend some money, I'm gonna call her
"Honey"
I wanna see the sparkle back in her eyes
When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight

When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight
I told the babysitter, fix a macaroni dinner
And try to get the kids in bed by nine

We're gonna spend some money, I'm gonna call her
"Honey"
I wanna see the sparkle back in her eyes
When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight

When mama ain't happy, ain't nobody happy
So daddy's gonna make mama happy tonight
